

EMSQUARE
STUDIOS

A space that inspires creativity; where sound and light live together in a rare perfection. EmSquare Studios offers you the most advanced space for your sound recording and video and photo shoot requirements.

EmSquare Studios. Home to your ideas.

CONSOLE ROOM

The console is a dream to work with. Be it a song or a grand background score, DVD mastering, soundtrack design or edits, it is designed in such a manner that the interior and equipment meets the next generation.

RECORDING ROOM

Our recording rooms are equipped with RGB lighting that can change according to the mood of the music being recorded, adding a positive and energetic vibe to help performers give their best.

Speaking of accuracy, we employ nothing but the finest voice pickup equipment that pick up the exact tone of myriad instruments and give unparalleled vibrancy to the singer's voice, so that listeners feel every bit of the acoustic vividness.

VISUAL SHOOTING FLOOR

Emsquare offers a Shooting Floor and Chroma Floor. The spacious 55x20 sq.ft. shooting floor is your creative playground.

Photography can be done with the different backgrounds and for special effects of Chroma shoot, green and blue backs can also be used.

The ambience is just another feather in the cap.

GREEN ROOM

Dual green rooms for men and women separately with a comfortable seating arrangement, gives you all the space and flexibility you'd need.

Added to the comfort of all-round centralized air-conditioning, we also provide reliable personal lockers for your valuables.
